

Abstract

Plaza Athénée Bangkok A Royal Méridien Hotel is a global standard hotel of Le Meridien Brand, providing customers with the service with style. The hotel is balanced with the need to maintain cultural integrity. There are 374 guestrooms including the sumptuously remodelled guestrooms and suites. The hotel is located on a leafy boulevard in central Bangkok which is a short walk from Phloen Chit BTS skytrain station and close to the city's premier malls. The Business Centre combines modern technology and classic elegance in a setting that encourages the business traveller to connect with the office and the world comfortably and easily. Plaza Athénée Bangkok, A Royal Méridien Hotel is one of Bangkok's largest conference hotels, providing the ultimate in style and flexibility.

Green Meeting Idea Project was decided after training at Banquet. The project has two objectives: 1) to minimize the extravagant apparatus and the conference budget. 2) to encourage the participation of employees of Plaza Athénée Bangkok A Royal Méridien Hotel for conserving energy and the environment.

The results of the questionnaire from three waiter banquets represent 60 percent of the answerers. Benefit of the hotel conference (Good: 60 percent). To reduce the resources (Good: 60 percent).
