

Abstract

Baan Wanglang Riverside is belong to a family of Waiyahong (which was the oldest in the Wanglang market) in a building that is just an apartment house. A 20-year-old was located next to the river. The height limit is 5 floors with beautiful views. After that Mr. SongchaiChaolaembegan to renovate the hotel.

As an internship at Baan Wanglang Riverside, the author works as a receptionist and a beverage service staff. Our responsibilities are communicating and servicing the hotel guests. From working as an internship, the author can find the problems with communication such as misunderstanding , vocabulary etc. Thus. We are interested to prepare the project “ Vocabularies and conversations for the hotel business. The purpose of the project are 1. To study English vocabulary used in hotel business . 2. To study English sentences used in hotel business. 3. To collect English conversations used hotel business. The author hopes that this project will benefit the hotel staff and students who are interested in the hotel business.
